

CRESCENT CITY JAYCEES

P.O. Box 521 Crescent City, CA 95531

November 27, 2007

Dear Coach:

The Crescent City Jaycees are looking forward to sponsoring their 40th Annual Eighth Grade Boys Invitational Basketball Tournament, set for March 7th & 8th, 2008.

This letter is informational and not an invitation to the tournament. The tournament will consist of 56 boys teams divided into "AAA", "AA", "A-1", "A-2", "B1", "B-2", and "C" divisions. We offer good competition for all and any size school. There will be an entry fee of \$65.00 for this year's tournament. There will be an additional \$20.00 sponsor fee. The sponsor fee will be used for our tournament scholarship fund.

If your school is selected to participate, we will ask you to provide a scorekeeper at the scorer/timers table. In some cases, your scorekeeper will be designated as the official scorekeeper for the game you are playing.

In conjunction with the basketball tournament, there will be a sportsmanship award, hoop shoot contest, cheerleading competition, a poster contest and a tournament Queen selected from those schools who wish to participate in these activities. Also, there will be a free luncheon on Saturday for all the tournament participants. A "Get Acquainted Party" for coaches, referees, administrators, and their spouses will be held Friday evening after the first round of games.

Please complete and **Fax** the enclosed Information and Request Form (page 4) to us as soon as possible. Even if you are NOT interested in participating, we would appreciate your returning the Information and Request Form, showing your team would not be able to attend.

Sincerely,

Arman Gunnerson
Tournament Chairman

Some of these tournaments are holding some spots open for those of you who are interested in attending a tournament that could give you an automatic entry into the Crescent City Jaycees Tournament.

All other schools selected for the Crescent City Jaycees Tournament will be selected solely by their Won Loss records, with some considerations given to the school size and type of competition you have played.

We will be selecting teams the last week in January, between January 31st and February 3rd, 2008.
