## SPORTSMANSHIP AND PARTICIPATION AWARD

The Sportsmanship and Participation Trophy is a perpetual award. The winner of the award is allowed to keep the trophy until the next year's tournament. They must return the trophy at the next year's tournament and they will receive a smaller permanent trophy at that time.

The award will be awarded to the school which shows the best sportsmanship, participation and general good behavior.

Above the competition, it is the desire of the Jaycees that courtesy, friendship, good behavior, and sportsmanship is fostered and maintained throughout the tournament. A signed statement may be submitted to the tournament chairman or member of the tournament committee by a basketball coach or school administrator who has observed any unfavorable conduct by any basketball team or coach. The statement must contain the date, time, and place of the offense. Written complaints will be reviewed by the tournament committee and upon acceptance of the complaint a school will not be considered for the award.

Points will be awarded as follows:

1. Teams are rated by each referee on a scale of 1 through 5 for the first 2 games. Possible points earned would be 10 per game for a total of 20 points.
