## March 4th and 5th 2016

### QUEEN COMPETITION RULES

1. The Queen contestants are to be picked by each school who wishes to participate prior to tournament. They will come to the tournament representing their school. In order to involve as many girls as possible in the tournament, our committee has decided that no cheer team member or mascot may be a Queen contestant, unless their school has less than 10 girls in the Eighth Grade Class. Contestants may be either a seventh grader or eighth grader. Students lower than seventh grade will not be eligible to compete. **The Parent/Advisor meeting takes place on Friday afternoon at 3:30 pm at the Del Norte High School.**

2. Each girl will complete and return the enclosed resume and princess entry form along with a recent photo of their self. Photos may be e-mailed please see "PHOTO INSTRUCTIONS" The resume and entry form should be returned to the person indicated below by:

**FEBRUARY 19, 2016**

3. The judging will take place at an informal Brunch located at the: **Lighthouse Inn** (681 US-101, Crescent City)

4. On Saturday, at 10:00 a.m. The Queen Contestants and their advisors are invited to attend. There will be no formal panel of judges to confront the girls. They will visit with each judge on a one to one basis. This will be as informal and comfortable as possible.

5. The girls will be judged on such criteria as appearance, poise, school-spirit, and ability to converse with the judges, naturalness and their résumé.

6. The Queen Contestants should wear simple school dresses or sweaters, blouses and skirts. Dresses or skirts should be at the knee or longer. Please advise them against wearing pants or party dresses. Judges are instructed to mark down anyone who is overdressed. Cleanliness and neatness will count more than a fancy new dress. Panty hose and a low heel shoe will be allowed. Make-up should be very light. Please remember this is not a beauty pageant.

7. The crowning of the Queen will take place on Saturday afternoon immediately following the cheer teams Saturday afternoon routines as shown on the Schedule of Events. Contestants are required to wear the same outfit that was worn to the Brunch.

7. All Queen Contestants will assist in handing out the awards at the conclusion of the tournament. Contestants are again required to wear the same outfit that was worn at the Brunch and Crowning of the Queen.

8. All Queen Contestants can and do contribute to the Sportsmanship Award and are included in the Secret Friend Hunt.

9. Cheerleaders, mascots and princesses attendance at the practice party is mandatory. You will not be judged at this party. It is a practice party. Princesses will be introduced to everyone in attendance. This will be a great opportunity for princesses to find their secret friends.

10. There will be a \$10.00 entry fee and a \$30.00 scholarship sponsor fee for each princess entered into the competition. Please review the enclosed information sheet regarding our scholarship program.

## Photo Instructions

Photos need to be sharp and clear so they can be re-produced for the program. A fuzzy picture will look worse when re-produced.

Choose a background area that is plain and does not blend in with your subject's faces. Avoid any shadows that cover faces.

A team or group photo should be taken as close as possible, use as much of the picture as you can. We really do not need a lot of background or foreground. Team photos are much better if they are 2 or 3 rows instead of one long single row. Cheerleader photos are good with the group in a close stack, kneel down, etc. Remember to identify members in your photo (left to right, 1<sup>st</sup> row, 2<sup>nd</sup> row, etc.).

**Digital camera photos are preferred.** Many "One Hour" photo shops also give the option of developing pictures onto a CD. This is also acceptable. Photos should be e-mailed to: [photos@ccjaycees.org](mailto:photos@ccjaycees.org).

We put a lot of time, effort and expense into our program and we hope you will not be disappointed with the results. However, if your photo is not good quality, you probably will be disappointed with the re-production.

## SECRET FRIEND HUNT

**What is the purpose of the Secret Friend # as shown on your roster? It is a simple way to promote friendship and sportsmanship between cheer teams and princesses from all different schools. When we have all the rosters turned in, we assign a number to each cheerleader, alternate, manager and mascot on the roster. We also assign each princess a number. Three of the above participants will be assigned the same number. They will all be from different schools. The most opportune time to find their secret friends will be on Friday night at the cheer team practice party. We will provide some time for the exchange of addresses, phone numbers, e-mail, etc. Please do NOT bring gifts, this is just a mixer exercise. At 2:40 P.M., during the Saturday afternoon cheer competition, we will ask all participants to assemble on the Del Norte High School Gym floor with their new friends. At that time, we will draw a number and the three participants who have that number will be awarded a prize.**

Each princess attending the tournament will have a \$30.00 scholarship sponsor fee that will be placed into the Scholarship Trust Account. If they wish to solicit a sponsor, they may do so at their option.

The Crescent City Jaycees will contribute at least the amount needed to insure the total amount pledged is secured in the Scholarship Trust Account. As the account grows, the Crescent City Jaycees may, at their option, award larger scholarships or increase the number of scholarships awarded.

Scholarship sponsors may be a business, parent, or friend who wishes to support this effort.
